RE: Final Reclamation
Taylor Livestock Mine
ACT/019/016
Grand County, Utah

Dear Mr. Nelson:

This is a reminder that September 30, 1982, is the agreed-upon deadline for completing final reclamation work on the Taylor Livestock Mine. If this date is not met, the Division will have no recourse but to call Winecup before the Board of Oil, Gas and Mining at their October hearings.

In previous correspondence Division staff members have outlined the necessary measures for final reclamation, and indicated a desire to be on site at the time of reclamation to insure that there has been no misunderstanding as to methods or requirements. Please notify either Carolyn Driscoll or myself within the next week as to a specific date or dates when final reclamation will be achieved.

Thank you.

Sincerely,

SUSAN C. LINNER
RECLAMATION BIOLOGIST
